Bill Carolan

A black and white illustration of a dense crowd of stylized cartoon people. The characters are drawn with simple, rounded features and various hats, including fedoras, berets, and baseball caps. Some have mustaches or glasses. The crowd is packed closely together, filling the entire frame.

Milner retired after twenty-eight years as head of the Lasell Nursing Program. Miss Milner was one of the original program, the very first Associate Degree program for nurses in New England.

Miss Milner was honored on December 5, 1984, by an adoring group of former and present students, faculty and That evening she was presented with two gifts: The Constance W. Milner Scholarship for the benefit of nursing Book composed of contributions from those who knew and loved her.

Constance Milner will long be remembered and dearly missed by many.

A black and white photograph showing a row of houses. In the foreground, there's a dark, leafy tree and a fence with a diamond pattern. The houses have porches with railings and windows with shutters. The image has a slightly grainy texture.

A great deal of talent is lost in the world from want of little courage. Every day sends to their obscure men whom timidity prevented from making a first effort: who, if they could have been induced to begin, would have in all probability gone great lengths in the career of same. The fact is that to do anything in the world worth doing, we must not stand back shivering and thinking of the cold and danger but jump in and scramble through as well as we can.

I would like to extend my heartfelt thanks to those who aided in the production of the 1985 Lasell Lamp. A special thanks goes out to all Lasell students who contributed candid pictures. Without these added photographs, our yearbook would not have been as successful. To my tireless and dedicated staff, while this project took much of our time and effort, we can be pleased with and proud of our accomplishment.

Many thanks

TORCH LIGHT PARADE

GRADUATION

ALMA MATER

Firmly bound by bonds unbroken
Love for Old Lasell
Take we now a pledge outspoken
E'er to guard her well.

Al Mater, Fidelitas!
Pledge, girls, for loyalty!
Sing we now before we part,
We'll ever faithful be.

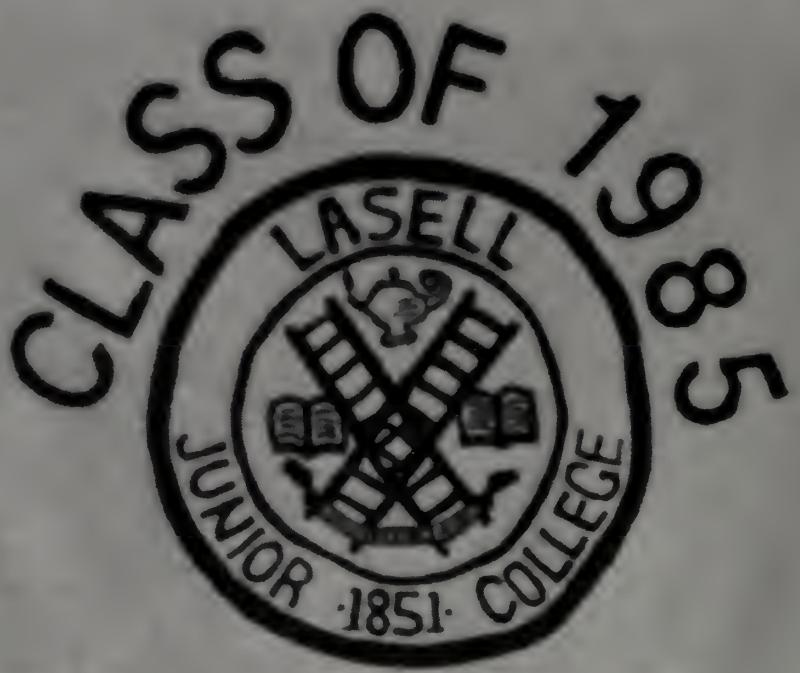

Bright school days are quickly past;
Enjoy them while you may,
Mem'ries still shall them outlast,
When we are far away.

Alma Mater, Fidelitas!
Pledge, girls, for loyalty!
Sing we now before we part
We'll ever faithful be.

SANDY COTTON
Assistant to Dean of Students

Lasell Junior College has been very fortunate to have had a fine administrator who has proved to be a friend to many of the Lasell students. She is a woman who has dedicated much of her time and energy for Lasell. She has contributed many innovative ideas regarding campus life and student activities which has aided in making Lasell what it is today. She has been there for all of us with ideas, support and answers to our never ending questions. Because of all these fine qualities we have dedicated the 1985 yearbook to Sandy Cotton. We wish you the very best in your future endeavors. You will be greatly missed, but not forgotten.

"IT'S IMPORTANT FOR
WOMEN TO HAVE A PLACE
WHERE THEY ARE GIVEN
EVERY OPPORTUNITY,
NOT JUST EQUAL
OPPORTUNITY,"

McKeehan
